The NAACP Miami-Dade Branch Health Committee presents:

Get Covered

February 8th, 2015 from 1pm-5pm

Jessie Trice Corporate Community Health Complex

5607 NW 27th Avenue in Miami, FL 33142

Get Covered is a healthcare marketplace enrollment activity and education program for the Greater Miami community. The purpose of this event is to answer questions about the marketplace and provide free onsite consultation.

Lanetta Jordan, MD, MPH, MSPH, President and CEO of the Foundation for Sickle Cell Disease Research, Associate Professor at the University of Miami Miller School of Medicine, and Senior Medical Advisor for the Centers for Disease Control and Prevention will be a guest speak at the event.

The last day to register for a healthcare plan is February 15. Be sure to bring your SSN, immigration documents, pay stubs, w-2 forms, employer information and any current health insurance policy information currently covering members of your household.
